PRECOR

1/ Ergonomic design delivers a total body workout

A fixed ramp at the ideal angle of 20 degrees and ergonomic handlebars let you tone and condition your entire body while maintaining comfortable posture and proper technique.

2/ A workout that just feels great

Precor's passionate focus on correct ergonomics results in a superior motion that is preferred by millions of users worldwide.

3/ Self-powered for energy conservation

Precor ellipticals draw no power and operate only on energy created by the user.

4/ Users enjoy integrated entertainment

An optional Cardio Theater® Personal Viewing Screen ergonomically integrated into the console provides users with the entertainment options they demand while keeping them moving in the correct biomechanical position.

5/ Streamlined console is easy to use

The streamlined Experience® Series Display features user-friendly controls and workout feedback—making it easy to “get on and go”.
