EXPERIENCE SERIES™
Standard Line

PRECOR®

Advanced LED display

Experience Series™ Standard Line

It's the cardio line that users have enjoyed time and time again. The **Experience Series™ Standard Line** features a console that provides clear visuals and a familiar layout that makes it easy for users to explore a variety of satisfying workouts.

Built to withstand the rigors of a broad range of environments, from less supervised facilities such as hotels, corporate gyms, apartment complexes, or fire departments.

Streamlined LED display:

- Durable dome switches: tactile response
- Heart Rate Monitoring
- 6-7 programs

Advanced LED display

(for EFX® 556i and treadmill 946i):

- Tap Control: tactile response with audible click
- SmartRate®
- 13 programs
