

INSPIRE A LIFE IN MOTION.

Every aspect of our fitness equipment is made to mirror human movement — fluid, natural, and familiar. Intuitive engineering and thoughtful design offer an invigorating workout that helps users keep moving. Arising from our heritage of providing quality fitness solutions that work, Precor fitness equipment keeps your users satisfied no matter what their goal. Precor inspires a life in motion.

Easy to use. Precor products are designed for ease-of-use, with intuitive displays that help users get on and get going.

Commercial treadmill provides superior Member Experience™. The 956i offers commercial facilities an advanced display and smooth, natural feel that users love.

Committed to excellence. For 25 years Precor has been a leader in the fitness industry, delivering breakthrough innovations and premium quality products for the home and club.

LOW-IMPACT
TREADMILL

COMMERCIAL/

1/ IFT-drive controller™

The IFT-drive controller works with the 4.0 horsepower AC motor to provide proprietary Integrated Footplant Technology—controlling belt speed to be responsive to every step for a smooth, natural feel while running or walking.

2/ Ground Effects® impact control system

Easing wear on the knees, legs, and back, the unique suspension system cushions impact and controls lateral motion, while remaining responsive.

3/ Fully integrated entertainment options

Fully integrated Cardio Theater® design, with personal viewing screens or ambient viewing, enhances the member experience by offering a more seamless, premium look to your cardio area.

4/ Direct access to 26 programs

Six buttons are the gateway to 26 preset programs, including six fitness tests.* Users can select or change to a new program at any time during their workout.

5/ Tap Control™

Large buttons provide satisfying tactile response and audible click. Beginners and experts alike easily get on and go with this intuitive control. Users know the machine has received input, even when using headphones for entertainment.
